

Iceland 07 nights 08 days

Day 01 Reykjavik

Blue Lagoon

Meet & greet at the airport, transfer to the **Blue Lagoon**, enjoy a relaxing two hour bath.

Transferred to Reykjavik, check-in and relax, overnight Reykjavik.

Day 02 Reykjavik

Enjoy breakfast in the comfort of your hotel, private sightseeing includes the **Golden Circle**; a popular route looping from Reykjavik into Central Iceland and back.

Visit **Pingvellir National Park**, a *UNESCO World Heritage Site*, home to the world's longest running parliament, see the dramatic landscape formed as a result of sitting along the border between the North American & European tectonic plates.

Pingvellir National Park

Private tour continues with the **Golden Waterfall**, an incredible double waterfall on the White River, the flow comes from the regular rains and the glacial runoff, especially in the summer. Lunch served at a local

restaurant. Explore the **Geysir**, a hot spring that is the namesake for all geysers in the world, stories of the Geysir area can be found in documents from the late 13th century.

Faxi Waterfall

Final point of interest will be **Faxi Waterfall**, a small a beautiful sight, hotel transfer, overnight Reykjavik.

Day 03 Reykjavik – Kirkjubaejarklaustur

Hotel breakfast, drive further along the South east of Iceland, visit **Seljalandsfoss**, one of South Iceland's many falls, falling of a sixty meter high cliff, the pathway leading to behind the falls is quite an experience. Journey continues to **Volkano Museum** where you will watch a two minute movie about the 2010 eruption in Eyjafjallajokull.

Seljalandsfoss

Visit **Skogafoss** where the falls have been protected since the late 80's, a trail leads to the top of the falls and up the Skoga River Valley. Private car transfer to the little town of **Vik I Myrdal**, an important service center for the inhabitants of and visitors to the coastal strip, lunch served at a local restaurant.

Systrafoss Waterfall

Drive across **Myrdalsandur**, the vast black-lava sand flats, east of Vik, are formed from material washed out from underneath the area during Katla eruptions. Arrive at the town of **Kirkjubaejarklaustur** where you can see the beautiful **Systrafoss Waterfall**. Evening hotel transfer, overnight Kirkjubaejarklaustur.

Day 04 Kirkjubaejarklaustur

Breakfast at hotel, drive to **Skaftafell National Park**, hike up **Svartifoss** (weather permitting), then drive to see **Synafellsjokull**, witness how the water falls from the mighty Vatnajokull Glacier, the largest in Eurpe, and the incredible lagoon in front of it.

Glacier Lagoon

Lunch served at a local restaurant followed by your private tour of the famous **Glacier Lagoon** where you can see massive floating icebergs. Walk down to the black sandy beach on the other side of the road and see the contrasting landscape. Drive to your final point of interest **Fjallsarlon**, evening hotel transfer, overnight Kirkjubaejarklaustur.

Day 05 Kirkjubæjarklaustur – Reykjavik

Solheimajokull Glacier

Breakfast at hotel, drive back towards the city, on the way visit **Solheimajokull Glacier**, where you will meet the Arcanum people, take a snowmobile ride or try glacier hiking.

Hotel transfer, overnight Reykjavik.

Day 06 Reykjavik – Snæfellsnesvegur

Enjoy breakfast in the comfort of your hotel, today you will be driven along the west coast of Iceland to Borgarfjorour, where you will see the largest hot spring in the world; **Deildartunguhver**, a great place to take photos.

You will be driven further inland to visit **Hraunfossar** and **Barnafossar Waterfalls**, enjoy the fantastic scenery where the water flows from between the lava fields. Head to **Husafell** where you will get into a jeep, drive up to the **Glacier Langjokull**; the second largest in Iceland. Enjoy your four hour tour to the only man made Glacier cave in the world. Drive across the **Snæfellsnes Peninsula** to your hotel, overnight Snæfellsnesvegur.

Glacier Langjokull

Day 07 Snæfellsnesvegur – Reykjavik

Hotel breakfast, travel around the Snæfellsnes Peninsula, begin with a **whale watching tour** from **Grundarfjorour** in the morning followed by visiting the fishing port Hellnar, lunch served at a local restaurant.

Head to **Djupalonsandur**, a sandy beach and bay, once home to sixty fishing boats and one of the most prolific fishing villages on the Snæfellsnes Peninsula, today the area is uninhabited. You will learn of the 'Four Lifting Stones' in this area that were used by fisherman to test their strength. Visit **Arnarstapi** bird cliffs and take a short walk as you enjoy breathing in the sea air. Hotel transfer, overnight Reykjavik.

Day 08 Reykjavik

Breakfast at the hotel, airport transfer for onward flight.
